OUR COVER IMAGE

Jonathan E. Twining is an Assistant Professor of Biology at Eastern Nazarene College, Massachusetts, United States. For the past three years, he has been collaborating with Dr. John Cossel of Northwest Nazarene University (Idaho, United States) in Costa Rica on amphibian bioacoustics research and student travel courses.

Ian Rohnert is an aspiring nature/wildlife photographer and student at Northwest Nazarene University, studying Graphic Design with a minor in Photography. He is constantly pursuing new adventures, and eagerly awaits the next project that comes his way. His passion for photography, and the outdoors, drive him to capture the breathtaking moments nature provides.

Our cover image depicts a Speckled Blunt-headed Treesnake (*Imantodes inornatus*) preying on a Mesoamerican Treefrog (*Smilisca baudinii*). The photo was taken by Ian Rohnert on 20 May 2017 in the Pantano de Cantarrana, Estación de Investigación Biológica La Selva, Provincia de Heredia, Puerto Viejo, Costa Rica. A video clip of the event can be seen at: https://www.youtube.com/watch?v=Z8eITn22I_0&feature=youtu.be
